

# TUESDAY, MARCH 9 IS THE DAY TO PUT YOUR DEVICE AWAY IN OYSTER BAY!

We invite you to enjoy a device-free evening at home, to give our students some time away from their screens.

On Tuesday, March 9, students **district-wide** will have no homework and no exams will be given on the following day.

We encourage you to use this time to connect and enjoy family/household activities such as:

- board games
- card games
- hands-on games (charades, etc.)
- crafts
- conversation
- walks, hikes, and outdoor exploration
