

# OYSTER BAY BASEBALL

"Tradition Never Graduates"

In honor of those who fight to preserve our freedom and our way of life the Varsity Baseball team is wearing camouflage baseball hats for all of our home games this season. Baseball has always been considered America's past time. It seems only fitting that a team which calls Memorial Field home pay tribute to those who serve and have served. The baseball program will sell these hats.

**ONE HUNDRED PERCENT** of the profits will be donated to 9-1-1 Veterans Long Island (For more about (9-1-1 Vets Long Island see below).

The hats cost 20 dollars a piece. They are flex-fit hats. There are two sizes that fit all. Please fill out this sheet and return with 20 dollars cash for each hat you wish to purchase.

9-1-1 Veterans is a small non-profit organization dedicated to assisting Long Island's veterans.

We provide emergency financial assistance to those who have served in - or are still serving in - the finest military in the world.

Our current emphasis has not only been on those service men and women who participated in the global war on terrorism, but all military veterans from all eras.

The transition period from military to civilian is a critical time psychologically and financially. Some are going through the lengthy process of applying for a service-connected disability or have fallen on hard times and have no other means of support.

9-1-1 Veterans supports the concept of communities taking ownership of "their veterans" by providing any needed support. We have no paid employees which has, to date, allowed us to give nearly 100% of donated funds to this worthy cause.
