We welcome you,
With pride and joy.
But the duties you now have,
You must not destroy.
Be strong, be honest,
And have hope.
When troubles come upon you,
Then you must cope.
To be an American,
Not a hard job.
Have trust, be faithful,
And happiness, do not rob.
You've come a long way,
To get to this point.
And now you are an American,
Good luck on your journey,
In America as a citizen.
There are ups and down,
But the ride is exhilarating.
