This is Kyle Cartwright's first year running winter track, and he has already emerged as one of the County's most dominant runners. He is one of the County's best 55m high hurdlers (possibly the most difficult event in high school sports) and 400m runners (he will possibly run sub 50 in the event this year). As part of the school's 4x400m relay, Kyle has won gold medals at the Nassau Coaches Holidays Relays held at the historic 168th Street Armory and the Long Beach Hot Chocolate Relays. His incredible versatility as a runner was on display when he placed 3rd in the 600m run at the Walt Brem Track and Field Series. Kyle is a dedicated runner, committed to his teammates, and is a brilliant student; he plans on studying Engineering next year in college/university.

Nick LaRosa is a senior and 4 year starter on the foil team. He is in his second year as the foil captain and has proven himself to be the leader of the entire team with the respect of all his fellow team-mates as well as his opponents. The previous two years as a sophomore and a junior, Nick was All-County being ranked #5 and #3 in county. Halfway through this season his current record is: 17 and zero.
