ATHLETE

of the Month

Senior, tri-captain, Julia Bassin can only be described as a coach's dream. She's the first one at practice and most often the last to leave. This is Julia's 4th year as a varsity tennis player and it's arguably been her most successful. In addition to tennis, Julia is a member of the varsity Fencing and Badminton teams.

But Julia's athletic achievements are eclipsed by her compassionate and giving personality. She is a member of 5 extracurricular school clubs as well as being a member of 3 academic honor societies. With the little free time at her disposal, she also devotes significant time and energy to several community projects. —Coach Sperber

ATHLETE

of the Month

The Boys' Cross Country Athlete of the Month is Teddy Hamlin. Teddy is a true leader, who never lets his teammates down. A state qualifier in Cross Country in 2011, he has been the first finisher for the Baymen in the Sands Point Invitational, and the team's first league meet against Seaford, Carle Place and Island Trees. The only Senior currently in the team's top 7, Teddy is an inspiring his younger teammates to commit themselves to excellence. Teddy hopes his teammates follow his example and remain dedicated to the team until they graduate.
