I would like to nominate Olivia Agostinello for the athlete of the month. Olivia has really stepped into a leadership position this year. On the mound, and defensively, she has demonstrated extreme composure and support for her teammates. She currently has an ERA of 1.76 and leads the team with her bat with an impressive batting average of .462. She has had multiple clutch hits, both tying and winning a recent game for us. She truly has been impressive!

In this her third year of running Girls Varsity Spring Track, 10th Grader Linda Cameron is enjoying her finest season. Linda recently won the Sophomore Girls 1500 meter run at the Nassau Coaches Meet in a time of 5:14. At the same meet, Linda followed-up her impressive 1500 meter run victory by easily winning the Sophomore Girls 800 meter run in a time of 2:39.5. Linda has set multiple personal records this season competing in the 1500 meter run, 3000 meter run, and the 4 X 800 meter relay. She played a vital role in the surprising Oyster Bay victory at the league meet between Clarke, Mineola and Carle Place. Linda provides excellent leadership during daily track practice and is a compassionate teammate.
