

Oyster Bay – East Norwich Central School District

COVID-19 SCREENING QUESTIONNAIRE

The safety of our employees, visitors and families remains Oyster Bay – East Norwich Central School District’s main priority. As the Coronavirus disease 2019 (COVID-19) outbreak continues to evolve and spread globally, Oyster Bay – East Norwich Central School District is taking steps to reduce exposure in our offices and schools.

To prevent the spread of COVID-19, and reduce the potential risk of exposure to our workforce and visitors, we are conducting a simple screening questionnaire. Your participation is important to help us take precautionary measures to protect you and everyone associated with our district. **All district** employees are expected to take their temperature daily before reporting for work. Parents are asked to take their children’s temperatures daily with a thermometer. Children with a temperature of 100 degrees or greater must remain home and must contact the Covid Coordinator at 624-6565.

Thank you for your cooperation.

Name _____
