Eligibility Requirements:

To be eligible for membership you must:

- Be in grades 10 – 12
- Have successfully completed two college-preparatory courses, including Algebra 1 and Geometry
- Be enrolled currently in at least a third college-preparatory course, including Algebra 2, Pre-Calculus, Calculus, etc.
- Have a cumulative Math GPA of 90 in all of your previous math courses
- Maintain a grade average of 90 in your current math classes

If you are inducted, you will be asked to fulfill the following membership requirements to stay active:

- Attend monthly Math Club meetings
- Be enrolled in a math class all four years of high school
- Actively participate in one or more of the following:
 - Mathletes
 - Math Competitions
 - Math Tutoring at school
 - Other Math/Scholastic Activity that has been approved by advisor

Please attach a sheet where you write a paragraph about what being a member of the Mu Alpha Theta Math Honor Society means to you. Include any information about your interest in math, your participation in math competitions, etc.
